

ANNEX : SECTOR PROJECTS DERIVED FROM PROGRAMMES

1.0 Administration, ICT and Citizen Service

Table 1: On-going projects

Project Name/ Location*	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs)	Source of funding	Timeframe	Implementing Agency
New governor's office	Conducive working environment	Executive/Administration	Completion, furnishing, Fencing and landscaping	Tree and flower planting	30 M	CGB	30 th June 2019	Administration
Governor's Lounge	VIP Reception	Governor and VIP	Completion, furnishing, Fencing and landscaping	Tree and flower planting	5M	CGB	30 th June 2019	Administration
ITI Building	Conducive working environment	ITI, Water, Environment and BOCABCA	Completion, furnishing, and landscaping	Tree and flower planting	10 M	CGB	30 th June 2019	Administration
3 Sub-county offices (konoin, sotik and chepalungu)	Conducive working environment	Sub-county administrators and sub-county HODs	Completion, furnishing, Fencing and landscaping	Tree and flower planting	20M	CGB	30 th June 2019	Administration
17 Ward offices (Ndanai/Abosi, Chemagel, Kipsonoi, Rongena/Manaret, Kipereres, Kembu, Merigi, Chemaner, Siongiroi, Sigor, Chebunyo, Kongasis, Nyangores, Mogogosiek, Ndarawetta, Chesoen, Mutarakwa)	Conducive working environment	Ward administrators and ward HODs	Completion, furnishing, Fencing and landscaping	Tree and flower planting	105M	CGB	30 th June 2019	Administration

Table 2: New Project Proposals

Project Name/Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency	Remarks
Fire stations (Longisa, Mogogosiek,Sigor)	Proper coordination of disaster response	Disaster team	Construction, fencing and equipping	30M	CGB	30 th June 2021	Administration	To be done in all sub-counties
Purchase of Fire engines	Improve disaster response	General public	Procurement and training of fire men	300M	CGB/Donors	30 th June 2022	Administration	More funds to be solicited from donors and well wishers
Public service Board office block	Conducive working environment	Public servants	Construction, furnishing, fencing and landscaping	25M	CGB	30 th June 2020	Administration	
County Departmental offices	Conducive working environment	County HODs	Construction, furnishing, fencing and landscaping	50M	CGB	30 th June 2020	Administration	
Capacity building and conference facility (CDG)	Training and capacity building	Civil and Public Servants	Construction, furnishing, networking, equipping, fencing and land scaping	100M	World Bank, (Kenya Accountable Devolution Support Program) / CGB	30 th June 2022	Administration	Additional funding to be sourced through PPP arrangement
Citizen Service Centres	Effective Public Service Delivery and Communication	General Public	Construction, furnishing, networking, fencing and landscaping	100M	CBG	30 th June 2021	Administration	
Treatment and rehabilitation centres	Mitigation of the effects of Alcohol and	General public	Construction, furnishing, equipping, fencing and land scaping	75M	CGB/NACA DA	30 th June 2022	Administration	Funds to be solicited from

(Konoin, Sotik, Chepalungu, Bomet Central, Bomet East)	drug abuse(ADA)							donors and well wishers
Sub-County office Block(Bomet Central and Bomet East)	Conducive working environment	2 fully operational offices	Construction, furnishing, networking, equipping, fencing and land scaping	30M	CGB	30 th June 2020	Administration	
Ward offices (kimulot, chepchabas. Embomos Boito, Silibwet township, Singorwet, longisa and kapletundo)	Conducive working environment	8 fully equipped ward offices	Construction, furnishing, networking, equipping, fencing and land scaping	120M	CGB	30 th June 2020	Administration	
County Government Residential buildings	Secure and safe living environment	County Government Officers	Land Purchase, fencing, construction, landscaping and furnishing	60M	CGB	30 th June 2019	Administration	
Purchase of motor vehicles/vans/buses	Efficient service delivery	1 mini-van, and 6 vehicles.	Procurement, branding and allocation	50 M	CGB	30 th June 2019	Administration	
Development of County ICT infrastructure(s)	Efficient and effective service delivery	All the departments and units	Structured cabling, procurement and installation of ICT and Network equipment, Testing and commissioning	100M	CGB/ MOICT/ Development partners	30th June 2020	ICT	To be carried out up to ward level
Enhancement of ICT connectivity in the County	Reliable communication	All the departments and units	Installation, Testing and commissioning of LAN,	50M	CGB/ MOICT/ Development partners	30th June 2020	ICT	To be carried out up to ward level
Establishment and equipment of ICT Digital Villages/Service centers	Reduction in digital divide	General public	Construction, securing existing buildings, equipping, setting up of Network	100M	CGB/ MOICT/ Development partners	30th June 2021	ICT and Administration	To be carried out up to ward level
Public Service Delivery Systems	Faster and efficient information sharing	All the departments and units	Procurement and installation, testing and commissioning	170M	CGB/ MOICT/ICTA / Development partners	30th June 2021	ICT and Departments	Targeting automation of all processes and functions

County registry	Easy access to government publication	1	Establishment and operationalization of county registry	10M	CGB	30 th June 2019	Administration and ICT	Public access to information
Recording studio	Quality audio and visual documentaries	1	Construction, operationalization and equipment of recording studio	5M	CGB	30 th June 2020	ICT	Public access to information
Legal resource centre	Informed public	1	Equipping of resource centre	7M	CGB	30 th June 2020	Administration	Custody for all acts and other legal documents

1.0 Agriculture, Livestock and Cooperatives

Sector Name: AGRICULTURE

Sub-sector Name: LIVESTOCK, FISHERIES AND VETERINARY SERVICES

Programme Name: Small Holder Dairy Commercialization Programme (SDCP)

Table 1: On-going projects

Project Name/ Location*	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
SDCP/Bomet county Wards: Sigor, Nyongores, Kongasis, Kipsonoi, Ndanai-Abosi, Longisa, Kembu, Chemaner, Kiprerer, Ndaraweta, Chesoen, Singorwet, Silibwet – Township, Mutarakwa, Mogogosiek, Embomos,	Increase Farmer incomes through dairy	Increase production /cow/day by 2L, Increase the volumes marketed by 10%/year	Increase acreage under fodder and volumes of fodder conserved Train 2200 farmers in 110 Groups and 5 target Apex(cooperative) Installation of 6 cooling tanks in 6 cooperative sites (Chepkalwal, Kiptulwa, Balek, Olbutyo, Makimeny and	Focus on promotion of biogas technology & use of solar energy in the milk cooler sites Promotion of agroforestry in the target areas	Ksh 37 million	IFAD & GOK	2018-2019	Livestock Production Department of MoAL&F

			Kokiche)and 4 milk dispensers/pasteurizers in 4 sites(Chepkalwal, Balek, Olbutyo, and Kokiche)					
--	--	--	--	--	--	--	--	--

SUB-SECTOR NAME: LIVESTOCK AND FISHERIES

PROGRAMME NAME: LIVESTOCK, FISHERIES AND VETERINARY SERVICES

Table 2: On-going projects

Project Name/ Location*	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
1)Bomet Fish Seed Centre at Fisheries Headquarters, Bomet County-wide	i) Sustainable supply of quality, affordable fingerlings to farmers, stocking/ restocking of dams. ii) To promote fisheries research activities and technology transfer	Annual production of 200,000 fingerlings	Fish breeding , production of mixed sex/mono-sex fish, broodstock recruitment, stocking of fish ponds and dams ii) Cooperation and liaison with relevant organization to conduct research on various fish types; on-farm trials	Considered	1,000,000	CGB	2018-2022	Directorate of Livestock and Fisheries
2) Milk Cooling Plants Chepwostuiyet, Labotiet, Kaboson, Sigor, Marinyin, Merigi, Sugutek, Itembe, Kapkesosio, Rongena, Saruchat, Kimarwandi(Embomos)	Increased milk formal marketing,	30	Bulking and chilling of milk, development of hubs services	Considered	112,000,000	CBG	2018-2022	Directorate of Livestock and Fisheries

Mogonjet/Kipsilei								
-------------------	--	--	--	--	--	--	--	--

Table 3: New Project Proposals

Project Name/Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency	Remarks
1)Fish pond and dam fisheries Development Siwot, Olokyin, Korabande-Ndubai, Koibeyon, Norera, Samituk, Lekimbo, Olngoswet, Kugunoi, Kiptulwa, Sigor, Chekurbet, Injerian,Siongiroi	To develop model fish farms at Sub-county level and ward level	175 fish ponds	Pond construction, supply of inputs, stocking of dams and rivers	24,750,000	CGB	2018-2022	Directorate of Livestock and Fisheries	
2)Quality feed production 1-haystore per ward	Sustainable production of livestock and fisheries feeds	Establishment of 4 feed mills, introduction of 5 new feed varieties and construction of 25 hay stores	Purchase and installation of the feed mills, feed formulation, and distribution to the market	30,000,000	CGB	2018-2022	Directorate of Livestock and Fisheries	
3)Livestock Production Services, Establishment of apiaries, Chebunyo, Siongiroi, Ndanai-Abosi, Saparet, Kiptogoch, masese, Menet (Kembu) Ndarawetaand Embomos	Increased income through beekeeping	130 apiaries,	Purchase and distribution of hives	20,500,000	CGB	2018-2022	Directorate of Livestock and Fisheries	
Establishment of chicken processing plant in (Chemaner) and Siongiroi	Increased earnings through poultry products	2 Chicken Plant	Construction of livestock production structures and purchasing of livestock.	1,000,000	CGB	2018-2022	Directorate of Livestock and Fisheries	

Establishment of poultry units and incubator in Kaptien, Kaptebengwet, Boito, Siongiroi and Chemaner	Increased earnings through poultry products	25 poultry units	Construction of livestock production structures and purchasing of livestock.	3,500,000	CGB	2018-2022	Directorate of Livestock and Fisheries	
Establishment of dairy goat units ;1 model unit per ward	Diversified earnings	30 dairy goat units	Construction of dairy goat structures and purchasing of livestock.	3,500,000	CGB	2018-2022	Directorate of Livestock and Fisheries	
Establishment of new milk cooling plants in Kimuchul, Bilelga, Kapsimbiri, Tendonok, Kiromwok, Chepkositonik, Kamogoso, Kapkelei, Ngainet, 02 Nyangores, Kapingogen, Kipajit, Tumbelyon, Sumeek, GeleGele, Kaptulwa, Makimeny, Boito (Chesoan), Kaptebengwet, Chebunyo, Kiriba, Cheporyang, Mukenyi, Kerotiet, East Sotik, Kapsangaru and Mugango.	Improve the quality of milk	23	Construction, equipping of dairy plants	Considered	92,000,000	CBG	2018-2022	Directorate of Livestock and Fisheries

Programme Name: Veterinary Services

Table 1: On-going projects

Project Name/ Location*	Objectives	Targets	Description of Activities (Key Outputs)	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
Chebunyo slaughterhouse Chebunyo ward	To improve hygiene and increase trade in Livestock products	1	Renovation of the slaughter House	considered	1,870,629	COB	By end of July 2018	Directorate of Veterinary Services
Kaptebengwet slaughterhouse Boito ward	To improve hygiene and increase trade in Livestock products	1	Renovation of the slaughter House	Considered	1,757,551	COB	By end of July 2018	Directorate of Veterinary Services
Mogogosiek Slaughterhouse Mogogosiek Ward.	improve hygiene and increase trade in Livestock products	1	Renovation of the slaughter House	Considered	460,878	COB	By end of July 2018	Directorate of Veterinary Services
Kapkilaibei Slaughterhouse Kimulot Ward.	improve hygiene and increase trade in Livestock products	1	Renovation of the slaughter House	Considered	508,291	COB	By end of July 2018	Directorate of Veterinary Services
Sigor Slaughterhouse SigorWard	improve hygiene and increase trade in Livestock products	1	Renovation of the slaughter House	Considered	595,405	COB	By July 2018	Directorate of Veterinary Services
Kaboson Slaughterhouse Chebunyo Ward	improve hygiene and increase trade in Livestock products1	1	Construction of the slaughter House	Considered	1,437,220	COB	By end of July 2018	Directorate of Veterinary Services Directorate of Veterinary Services
Chepwostuiyet	improve hygiene and increase trade in Livestock products1	1	Construction of the slaughter House	Considered	1,437,220	COB	By end of July 2018	Directorate of Veterinary Services Directorate of Veterinary Services

Kapkoros Slaughterhouse Chesoen	improve hygiene and increase trade in Livestock	1	Construction of a new Slaughter House	Considered	1.5 M	COB	By end of July 2018	Directorate of Veterinary Services
Kiplelji Slaughterhouse	improve hygiene and increase trade in Livestock	1	Construction of a new Slaughter House	Considered	1,511,065	COB	By end of July 2018	Directorate of Veterinary Services
Kapsimotwo Slaughterhouse	improve hygiene and increase trade in Livestock	1	Construction of a new Slaughter House	considered	1.5 M	COB	By end of July 2020	Directorate of Veterinary Services
Singorwet Slaughterhouse	improve hygiene and increase trade in Livestock	1	Construction of a new Slaughter House	Considered	1,511,065	COB	By end of July 2020	Directorate of Veterinary Services
Chebunyo Livestock Sales Yard	To increase trade in Livestock	1	Construction of a new Sales yard.	Considered	8,079,090	COB	By end of July 2018	Directorate of Veterinary Services
Kapsimotwo Livestock Sales Yard	To increase trade in Livestock	1	Construction of a new Sales yard.	considered	8,000,000	COB	By end of July 2021	Directorate of Veterinary Services
Kapkwen Livestock Sales Yard Nyongores Ward.	To increase trade in Livestock	1	Construction of a new Sales yard.	Considered	8 M	COB	By end of July 2018	Directorate of Veterinary Services

Table 2: New Project Proposals

Project Name/Location	Objectives	Targets	Description of Activities	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency	Remarks
Construction/ Renovation of Dips and support in purchase of Acaricides	To improve livestock health and productivity through reduction on disease incidences.	253	Construction of new dips, renovation and support in purchase of acaricides	36.45 M	COB	5 Years	Directorate of Veterinary Services	Dips management committees are supposed to be trained on governance to have proper management of funds.

Construction and Renovation of Slaughter house	To improve hygiene and increase trade in Livestock products.	72	Construction of new slaughter house and renovation of existing ones.	47 M	CGOB	5Years	Directorate of Veterinary Services	Generally all the slaughter house in the county needs improve on waste management.
Construction/ Repairs and Managements of Livestock Sales Yards	To improve Trade in Livestock	7	Construction of repairs of livestock sales yards	63 M		5 Years	Directorate of Veterinary Services	The sales yards to be constructed in major livestock markests
Breeding services	To improve livestock genetics	102,000	Insemination of cattle and Embryo transfer	49.6 M	CGOB	5 Years	Directorate of Veterinary Services	Livestock genetics to be improved through subsidized AI & ET
Disease, Vector & Pest control	To improve Animal Health.	943,945,000	Vaccination of priority animal notifiable diseases.	75.1 M	CGOB	5 Years	Directorate of Veterinary Services	Needs strong collaboration with neighbouring counties on transboundary disease.
Livestock Insurance Services	To reduce risks in livestock production	23,250	Insurance of livestock against death	46.5 M	CGOB	5 Years	Directorate of Veterinary Services	It's a new service requiring more sensitisation.
Animal Health Extension services Infrastructure	To improve livestock extension services	75	Purchase of motorbikes for extension services.	13.9 M	CGOB	5 Years	Directorate of Veterinary Services	The motorbikes will be used by AI providers and other animal health providers
Animal Health and Production Information management System	To improve service delivery in livestock industry.	5	Purchase of communication softwares.	5 M	CGOB	5 Years	Directorate of Veterinary Services	

PROGRAMME:VALUE ADDITION

ONGOING PROJECTS:

Project Name/ Location*	Ward	Objectives	Target s	Description of Activities (Key Outputs)	Green Economy consideratio ns	Cost (Kshs.) in millions	Source of fundin g	Timefra me	Implementing Agency
Sweet potato /Pumpkin/Butter nut value addition cottage	County	To improve farmers income, Employment and food security	3	Branding, Packaging and Marketing	considered	2,500,000	CGB	BY 2019	Depts: Agriculture and Public Health, Roads, Transport and Public Works
Horticulture Pack House Construction	Longisa	To improve farmers income, Employment and food security	1	Construction of pack houses	considered	12,000,000	CGB	BY2020	Depts: Agriculture and Public Health, Roads, Transport and Public Works
Irish Potato Value Addition Plant	Ndaraweta	To improve farmers income, Employment and food security	1	Construction of a processing house,branding,pack aging and marketing	considered	6,000,000	CGB	2019	Agriculture,livest ock and Cooperatives
Sonokwek Tissue Culture	Ndarawett	To improve farmers income, Employment and food security	1	Establishment of the tissue culture	considered	8,000,000	CGB	2019	Agriculture,livest ock and Cooperatives
Coffee processing plant	Mutarakwa	To improve farmers income, Employment	1	Completing pulping unit and Purchasing pulping equipment	considered	3,000,000	CGB	2019	Agriculture,livest ock and Cooperatives
Chicken processing plant	Kipsonoi ward	To improve farmers income,Employment	1	Completing processing unit and Purchasing chicken processing equipment ,Branding,Packagin g and Marketing	considered	6,860,000	CGB	2020	Agriculture,livest ock and Cooperatives

NEW PROJECTS:VALUE ADDITION

Milk processing plant	Ndanai Siongiroi Kipsonoi	To improve farmers income, Employment	1	Construction of processing unit,purchase of milk processing equipment, Branding, Packaging and Marketing	considered	250,000,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health, Roads, Transport and Public Works
Mango processing plant	Kipreres-Mulot	To improve farmers income, Employment	1	Construction of processing unit, purchase of mango processing equipment, Branding, Packaging and Marketing	considered	60,000,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health, Roads, Transport and Public Works
Banana processing plant	Kembu-Kaporuso Ndanai-Gelegele	To improve farmers income, Employment	1	Construction of processing unit, purchase of banana processing equipment, Branding, Packaging and Marketing	considered	40,000,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health, Roads, Transport and Public Works
Avocado processing plant	Singrowet Boito	To improve farmers income, Employment	1	Construction of processing unit, purchase of avocado processing equipment, Branding, Packaging and Marketing	considered	40,000,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health, Roads, Transport and Public Works
Promotion of on-farm Sweet potato Value Addition	Kipreres-mulot Siongiroi Sigor	To improve farmers income, Employment and food security	3	-construction of value addition unit Purchase of value addition equipments	Considered	6,000,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health,

				Branding,pakaging and marketing					Roads, Transport and Public Works
Irish Potato Value Addition Plant	Merigi-belgut Kembu-Menet Silibwet-Kapsimot wo	To improve farmers income, Employment and food security	3	Construction of a processing house,branding,pack aging and marketing	Considered	18,000,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health, Roads, Transport and Public Works
Onion Value addition plant	Merigi-Chepkolon	To improve farmers income, Employment	1	Construction of a processing house,branding,pack aging and marketing	Considered	6,000,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health, Roads, Transport and Public Works
Honey Value Addition Plant	Siongiroi Chebunyo Embomos Kembu Ndanai	To improve farmers income, Employment and food security	5	Construction of a processing house,branding,pack aging and marketing	Considered	12,500,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health, Roads, Transport and Public Works
Tomato Value Addition Plant	Ndanai-Gorgor Chemagel-Yaganek	To improve farmers income, Employment and food security	2	Construction of a processing house,branding,pack aging and marketing	Considered	12,000,000	CGB	2022	Agriculture, livestock and Cooperatives, Public Health, Roads, Transport and Public Works
Promotion of on-farm Value Addition (Cabbage,peas.)	County	To improve farmers income, Employment and food security	25	To have 25 groups doing on farm value addition	considered	4,500,000	CGB	2022	Agriculture,livestock and Cooperatives

ANNEX 1: ON-GOING PROGRAMMES JOINTLY FUNDED WITH DEVELOPMENT PARTNERS

Programme Name: Agricultural Sector Development Support Programme II (ASDSP II)

Project Name /Location	Objective	Targets	Description of activities (Key outcomes)	Green economy Considerations	Cost (Kes)	Source of Funding	Time frame	Implementing Agency
Agricultural Sector Development Support Programme II (ASDSP II) Whole County	To transform crop, livestock and fisheries production into commercially oriented enterprises that ensures sustainable food and nutrition security	Production of priority value chains (PVC) increased	Capacity (knowledge enhancement – not resources provision) of existing service providers on identified opportunities enhanced	-Enhancing capacity of existing service providers on identified opportunities -Supporting value chain innovations -Enhancing	8,125,855	County Government, National Government, SIDA and other development partners	5 Years (2017-2022)	County Government of Bomet
			Value Chain innovations with high prospects for women and youth empowerment supported	Climate Smart Agriculture interventions, practices and technologies	16,251,710			
			Environmental resilience for increased productivity among prioritised Value Chains strengthened		2,708,618			
		Entrepreneurial skills of VCAs strengthened	Entrepreneurial skills of VCAs including service	Building the productive capacity of women, men and	29,794,802			

			providers enhanced	youth through skills development, research and technology				
		Access to markets by VCAs improved	Market access linkage for priority VCAs improved	Identification of institutional, financial, legal and physical barriers to equitable market access (high cost of production, inefficient infrastructural services, non-compliance with local and international standards and trade barriers) to develop marketing system	361,149			
	Access to market information by VCAs improved		1,083,447					
	Access to PVC financial services by VCAs improved		361,149					
	Structures and capacities for coordination in the sector strengthened	Initiatives for establishment of structures for consultation and coordination supported	Capacities of established structures for consultation and coordination enhanced	-Supporting initiatives for establishment of structures -Enhancing capacities of established structures -Enhancing stakeholders 'participation	4,740,082			
					12,640,219			

			Participation of stakeholders in consultation and coordination structures enhanced	-Preparation, launching and roll-out of Sector policies, strategies, regulations and plans.	9,480,164			
			Sector policies, strategies, regulations and plans prepared and launched		4,740,082			

NEW PROGRAMMES JOINTLY FUNDED WITH DEVELOPMENT PARTNERS

Programme Name: Kenya Climate Smart Agriculture Project (KCSAP)

Table: New Project Proposals.

Project Name/ Location*	Objectives	Targets	Description of Activities (Key Outputs)	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency	Remarks
Kenya Climate Smart Agriculture Project – To cover 3 Sub Counties and 6 wards:bomet east (Longisa,Kiprereres), sotik (Ndanai, Rongena) and Konoin (Embomos,mogogosiek	To increase agricultural productivity and build resilience to climate change risks in the targeted smallholder farming and pastoral communities in Kenya, and in the event of an Eligible Crisis or Emergency, to provide immediate and effectiveresponse.”- Up scaling Climate-	22,000 households of smallholder farmers, agro-pastoralists	1. Increase in productivity of selected agricultural commodities supported by the project 2.Improved sustainable landscape management and agro forestry 3.Improved water management 4.Improved livelihood diversification	<i>US\$163.8million (Total national budget for 24 counties)</i>	1.World Bank 2.Government of Kenya (GOK) 3.Bomet county Government	2017-2022	1.Ministry of Agriculture, Livestock & Fisheries (MoALF) state department of agriculture 2.bomet county government 3.community level	

	Smart Agricultural Practices		<p>5. Increased use of sustainable bio-energy</p> <p>6. Improved market access</p> <p>7. Improved crop-livestock integration</p> <p>8. Increased no. of targeted community members organized into groups.</p> <p>9. Reduction in greenhouse gas emission (GHGE) per unit of product produced for selected agricultural commodities</p> <p>10. Improved institution capacity and service delivery</p> <p>11. Number of climate smart agriculture investment supported-community projects</p>					
	Strengthening Climate-Smart Agricultural Research and Seed Systems	Market for crop products and livestock	1. Improved participation of farmers in on-farm technology innovations	<i>US \$53.7 million (Total national budget for 24 counties)</i>	1. World Bank 2. Government of Kenya (GOK)	2017-2022	1. Ministry of Agriculture, Livestock & Fisheries (MoALF) state	

			management practices 2.Increased production of climate-smart agriculture inputs by seed and breed stock producers 3. Increase in No. of seed production units through access to credit guarantee scheme, technical assistance and revolving funds.		3.Bomet county Government		department of agriculture 2.bomet county government 3.community level	
	Supporting Agro-weather, Market, Climate and Advisory Services	22000 Farmers	1.Increased number of users reached with advisory services 2.No. of New and refurbished agro-, automatic weather stations and hydro-meteorological facilities	<i>US \$30 million ((Total national budget for 24 counties))</i>	1.World Bank 2.Government of Kenya (GOK) 3.Bomet county Government	2017-2022	1.Ministry of Agriculture, Livestock & Fisheries (MoALF) state department of agriculture 2.bomet county government 3.community level	
	Project Coordination and Management,	22,000 farms Project supervision, oversight and monitoring	1. Cost of county level project coordination units including salaries, operation and	<i>US \$29.3 million ((Total national budget for 24 counties))</i>	1.World Bank 2.Government of Kenya (GOK)	2017-2022	1.Ministry of Agriculture, Livestock & Fisheries (MoALF) state department of agriculture	

		and evaluation	maintenance cost, project supervision and oversight and other project administrative expenses. 2. Monitoring and evaluation will also be supported		3. Bomet county Government		2. bomet county government 3. community level	
	Contingency Emergency Response,		Immediate respond to natural or man-made crisis or disasters	funds from an unallocated category or other project components will be reallocated to finance emergency response expenditures to meet agricultural crises and emergency needs	1. World Bank 2. Government of Kenya (GOK) 3. Bomet county Government	2017-2022	1. Ministry of Agriculture, Livestock & Fisheries (MoALF) state department of agriculture 2. bomet county government 3. community level	

**The project is implemented in three Sub Counties and six wards –Bomet East (Kiprerer and Longisa wards), Sotik (Ndanai and Rongena wards) and Konoin (Embomos and Mogosiek wards).*

Programme Name: Small-Scale Irrigation and Value Addition Project (SIVAP)

Table 4: On-going projects

Project Name/ Location*	Objectives	Targets	Description of Activities	Green Economy considerations	Cost (Kshs.)	Source of funding	Timeframe	Implementing Agency
----------------------------	------------	---------	---------------------------	------------------------------	--------------	-------------------	-----------	---------------------

			(Key Outputs)					
Kaboson irrigation water users association	Increased agricultural productivity in the project areas	250 HA 680 Households	Enhanced Irrigation Infrastructure and Water Resources Development	Considered	<i>Kes 165,908,000 million (59.2% of total project cost)</i>	1. Government of Kenya (GOK) 2. African Development Bank 3. Global Agriculture and Food Security Program	2016-2022	State Department of Agriculture - SDA, Ministry of Agriculture, Livestock & Fisheries (MoALF)
	1. Enhanced market access for both crops & livestock Commodities/ Products 2. Enhance value addition of crops and livestock commodities	680 households to access Market for products and livestock	Improved Access to Markets and Strengthening Value Chain	Considered	<i>Kes 59,973,500 million (21.4% of total project cost)</i>	1. Government of Kenya (GOK) 2. African Development Bank 3. Global Agriculture and Food Security Program	2016-2022	State Department of Agriculture - SDA, Ministry of Agriculture, Livestock & Fisheries (MoALF)
	Enhanced capacity of both staff and value chain actors	1000 Training of TOTS	Institutional Strengthening & Capacity Development	Considered	<i>Kes 29,706,500 million (10.6% of total project cost)</i>	1. Government of Kenya (GOK) 2. African Development Bank 3. Global Agriculture and Food Security Program	2016-2022	State Department of Agriculture - SDA, Ministry of Agriculture, Livestock & Fisheries (MoALF)
	Monitoring And Supervising		Project Coordination and Management	Considered	<i>Kes 24,662,000 million (8.8% of</i>	1. Government of Kenya (GOK)	2016-2022	State Department of Agriculture - SDA, Ministry of

	Contractors Works				<i>total project cost)</i>	2.African Development Bank 3.Global Agriculture and Food Security Program		Agriculture, Livestock & Fisheries (MoALF)
--	-------------------	--	--	--	----------------------------	--	--	--

**The project is implemented in Chepalungu Sub County Chebunyo Ward*

2.0 WATER, SANITATION AND ENVIRONMENT

SUB-SECTOR NAME: WATER AND IRRIGATION DIRECTORATE

On-going Projects								
Programme Name: Infrastructure Development								
Project Name/ Location *	Objectives	Targets(population)	Description of Activities (Key outputs)	Green Economy Consideration	Cost (Ksh)	Source of Funding	Time Frame	Implementation Agency
Tinet water project	Increase access to clean water	6,000	Operationalize the project by completion of rising mains, storage tank, construction of a sump,distribution and treatment system,	Riparian protection	20M	CGB	Jun-2021	CGB
Chemaner water project	Increase access to clean water	8,000	Operationalize the project by completion of rising main, construction of 100m3 storage tank,distribution and partial treatment	Upstream users will be considered for supply	10M	CGB	Jun-2020	CGB
Kamureito water project	Increase access to clean water	3,000	Rehabilitation of the scheme and improvement of supply network(Weir, Sump,Treatment works, pump set and supply network)	water access by all will be ensured	40M	CGB	Jun-19	CGB

Longisa water project	Increase access to clean water	7,000	Improvement of supply network and upgrading of treatment work	water access by all will be ensured	25M	CGB	Jun-19	CGB
Sotik water supply	Increase access to clean water	9,000	Improvement of supply network and efficiency	water access by all will be ensured	25M	CGB	Jun-19	CGB
Sigor water supply	Increase access to clean water	15,000	Improvement of supply network and efficiency	water access by all will be ensured	50M	CGB	Jun-19	CGB
Ndanai water project	Increase access to clean water	5,000	Desilting, upgrading of rising main and completion of distribution lines	water access by all will be ensured	25M	CGB	Jun-19	CGB
Mogombet water project	Increase access to clean water	3,000	Upgrading the project by Installation of raw water gravity line, treatment works storage reservoir, rehabilitation of rising main and distribution network	water access by all will be ensured	25M	CGB	Jun-19	CGB
Itare water supply	Increase access to clean water	20,000	Upgrading of the system to meet current demand	water access by all will be ensured	50M	CGB	Jun-20	CGB
Kapkesosio water project	Increase access to clean water	2,000	Extension of distribution line	water access by all will be ensured	10M	CGB	Jun-2020	CGB
Gelegele water project	Increase access to clean water	2,000	Improvement of supply network	water access by all will be ensured	15M	CGB	Jun-20	CGB
Kaposiriri water project	Increase access to clean water	1,500	Construction of treatment works and improvement of supply network	water access by all will be ensured	20M	CGB	Jun-21	CGB
Tegat Borehole project	Increase access to clean water	2,000	Improvement of the project	water access by all will be ensured	10M	CGB	Jun-19	CGB
Segutiet Water project	Increase access to clean water	3,000	Designing and implementation of the project	water access by all will be ensured	20M	CGB	Jun-20	CGB

Sergutiet Water project	Increase access to clean water	4,000	Improvement of supply network	water access by all will be ensured	10M	CGB	Jun-20	CGB
Itembe Borehole Project	Increase access to clean water	2,000	Improvement of supply network	water access by all will be ensured	10M	CGB	Jun-19	CGB
Chebunyo Water project	Increase access to clean water	1,500	Improvement of the project (Treatment, diversion of storm water from the market, storage tank)	water access by all will be ensured	15M	CGB	Jun-19	CGB
Kaptien Water project	Increase access to clean water	2,000	Operationalization of the project	water access by all will be ensured	10M	CGB	Jun-19	CGB
Cheptalal Borehole project	Increase access to clean water	1,500	Improvement of the borehole project	water access by all will be ensured	10M	CGB	Jun-19	CGB
Kapset Water project	Increase access to clean water	2,000	Operationalization of the project	water access by all will be ensured	10M	CGB	Jun-19	CGB
Kaptebwet water project	Increase access to clean water	3,000	Improvement of supply network	water access by all will be ensured	25 M	CGB	Jun 21	CGB
Bomet Water Supply	Increase access to clean water	10,000	Improvement of supply network	water access by all will be ensured	20M	CGB	Jun-21	CGB
Kapset/Muryasi water project	Increase access to clean water	8,000	Construction of 100m3 storage tank, 25m3 water sump, distribution line and rising main	Upstream users will be considered for supply	20M	CGB	Jun-19	CGB

ENVIRONMENT AND NATURAL RESOURCES DIRECTORATE

PROGRAMME NAME: ENVIRONMENTAL CONSERVATION AND NATURAL RESOURCE MANAGEMENT

Project Name/Location	Objectives	Target	Description of activities (Key output)	Green Economy	Cost (kshs)	Source of funding	Timeframe	Implementation agency
------------------------------	-------------------	---------------	---	----------------------	--------------------	--------------------------	------------------	------------------------------

Soil and water conservation	To control soil erosion and conserve water	county-wide	Procure works for control of soil erosion	Tree cover increased	20M	CGB	Jun-21	CGB
Riparian protection	To protect riparian areas	county-wide	carry out riparian protection and conservation activities	health and resilience of riparian areas improved	20M	CGB	Jun-21	CGB
Promotion of forestry activities	Increase tree cover	county-wide	Tree planting	Tree cover increased	20M	CGB	Jun-21	CGB
Solid waste management	To improve sanitation	county-wide	Development of solid waste management facilities	carbon emission reduced	15M	CGB	Jun-21	CGB
TOTAL					525M			

Table 2 : New Project Proposals							
WATER AND IRRIGATION DIRECTORATE PROGRAMME NAME:INFRASTRUCTURE DEVELOPMENT							
Project Name/ Location	Objectives	Targets (popula tion)	Description of Activities	Cost (Ksh)	Source of Fundi ng	Time Frame	Impleme ntation Agency
Chebangang water project	increase access to clean water	90,000	upgrading of the water project	300M	BIDP	Jun-19	BIDP
Motigo Water project	increase access to clean water	2,000	Design works (Weir, rising main, storage tank at Terek, pump house, pump set and distribution)	30 M	CGB	June- 21	CGB
Isei Water project	increase access to clean water	3,000	Operationalise the project	50M	CGB	Jun-20	CGB
Aonet water project	increase access to clean water	2,000	upgrading of the project rising main to Masese, Construction of 150m ³ storage tank at Bondet, construction of weir, 25m ³ sump and rehabilitation of pump house-rising main to Bondet	70M	CGB	Jun-19	

Toboino water project	increase access to clean water	2,300	Raw water gravity line, rising main, installation of pump set and distribution network	40M	CGB	Jun-19	CGB
Nyangombe water	increase access to clean water	10,000	Design works (Weir, rising main, storage tank at Terek, pump house, pump set and distribution)	30M	CGB	Jun-19	CGB
Chepalungu Water supply	increase access to clean water	17,500	Ugrading and expansion of the system	70M	CGB	Jun-19	CGB
Chesambai water project	increase access to clean water	1,500	Operationalise the project	20M	CGB	Jun-19	CGB
Sogoet Water project	increase access to clean water	1,500	Improve efficiency of the project by installation of electric Pump with Control Panel; Power supply; Construction of treatment works and its auxiliaries	10M	CGB	Jun-19	CGB
Marinyin Water Project	increase access to clean water	15,000	Construction of a sump,disribution and operationalize the project	10M	CGB	Jun-19	CGB
Kapcheluch Water project	increase access to clean water	8,500	Improve efficiency of the project by installation of Electric Motor and Control Panel; Construction of treatment works and its auxiliaries;	10M	CGB	Jun-19	CGB
Kaptebengwet water project	increase access to clean water	1,500	Improvement of supply network	25M	CGB	Jun-19	CGB
Kapsimbiri water project	increase access to clean water	2,000	Operationalise the project	20M	CGB	Jun-20	CGB
Yaganek water project	increase access to clean water	2,000	Improve efficiency of the project	10M	CGB	Jun-20	CGB
Kipngosos water project	increase access to clean water	3,000	Operationalise the project by installation of high and low lift pumps Control panel, Power supply and improvement of supply network	20M	CGB	Jun-20	CGB
Mogor Borehole	increase access to clean water	1,000	Operationalise the project	5M	CGB	Jun-20	CGB
Mogoma Borehole	increase access to clean water	1,000	Operationalise the project	5M	CGB	Jun-20	CGB

Matuu Borehole (Silibwet Township)	increase access to clean water	1,000	Operationalize the project	5M	CGB	Jun- 20	CGB
Labotiet Borehole	increase access to clean water	1,000	Operationalise the project	5M	CGB	Jun-20	CGB
Chesuyon water project	access to clean water	2,000	Designing and implementation of the project	20M	CGB	Jun-21	CGB
Chesugon water project	access to clean water	2,000	Designing and implementation of the project	20M	CGB	Jun-22	CGB
Sugutek water project	access to clean water	2,500	Designing and implementation of the project	25M	CGB	Jun-22	CGB
Kenchiribet/Saoset Water project	access to clean water	2,000	Designing and implementation of the project	20M	CGB	Jun-22	CGB
Singorwet/Aisaik Water project	access to clean water	3,000	Designing and implementation of the project	25M	CGB	Jun-22	CGB
Kibajit Water project	access to clean water	2,000	Designing and implementation of the project	20M	CGB	Jun-22	CGB
Motigo Water project	access to clean water	2,500	Designing and implementation of the project	20M	CGB	Jun-22	CGB
Kaptilolwo Water project	access to clean water	2,000	Designing and implementation of the project	20M	CGB	Jun-22	CGB
Isang Water project	access to clean water	1,500	designing and implementation of the project	20M	CGB	Jun-21	CGB
Saruchat water project	Access to clean water	2000	Designing and implementation of the project	20M	CGB	Jun 21	CGB
Kapkelei water project	increase access to clean water	2,000	Redesigning of the project and implementation	20M	CGB	Jun-21	CGB
Kisiet water project(waterfall,Sion giro)	Increase access to clean water	5,000	Designing and implementation of the project	20M	CGB	June 2022	CGB/Partners
Sarujat/ sotik water project	Incresae access to clean warter	5,000	Designing and implementation of the project	20M	CGB	June 2022	CGB/ Partners
Kaitit water project	Increase access to clean water	5,000	Designing and implementation of the project	20M	CGB	June 20220	CGB/Partners
Kures dam	increase access to clean water	1,000	Improve efficiency of the project by completion of rising Main Rehabilitation and Pipeline Extensions; Power supply; Fencing; Cattle Troughs, pipeline distribution	10M	CGB	Jun-20	CGB

Spring protection	increase access to clean water	150,000	protection of at least 5 No of viable springs per ward per year and establishment of tree nurseries on the same including fencing of the area.	187M	CGB/P partners	Jun-19	CGB/partners
Boreholes	increase access to clean water	10,000	Hydrogeological survey, drilling and equipping of at least 5 No. viable sites per year.	75M	CGB/P partners	Jun-20	CGB/partners
development of irrigation infrastructure(Sotik, Bomet East, Chepalungu)	access to water for irrigation	1300 Ha	development of irrigation infrastructure in parts of Sotik, Bomet East and Chepalungu	750M	CGB, GoK	Jun-22	CGB, GoK
Development of waste water infrastructure in Sotik, Mogogosiek, Longisa, Mulot)	Management of waste water	100,000	development of sanitation facilities for Sotik town, Mogogosiek, Longisa and Mulot	900M	CGB, GoK	Jun-22	CGB, GoK
Water harvesting (Water pans, small dams and storage reservoirs)	increase access to clean water	40,000	Desilting and construction of at least 20 No. Water pans and small dams per year and purchase of 100 storage tanks for rainwater harvesting per year. Tree planting , establishment of tree nurseries and fencing	300M	CGB/P partners	Jun-20	CGB/partners

5.0 LANDS, HOUSING AND URBAN DEVELOPMENT

Table 1: On-going Projects

Project Name/ Location *	WARD	Objectives	Targets(population)	Description of Activities (Key outputs)	Green Economy Consideration	Cost (Ksh)	Source of Funding	Time Frame	Implementation Agency
Acquisition of Land for Chebunyo Stock Sale Yard(2acres), Slaughter House in Mulot(4.5acres) and Kapset market(1.3 acres)	Chebunyo , Kiprerer	Market Expansion	3	Title processing and Succession	Tree Cover	6,695,000.00	CGB	2018-2022	CGB
Purchase of land for Kaplong bus park (1 acres)	Chemage 1	Bus Park Facility	Kaplong Market Centre	Title processing and Succession	Landscape	6,700,000.00	CGB	2018-2022	CGB
Opening and lining of storm water drainage in Bomet town	Bomet Municipality	Management of Storm Water	Bomet Town	Execution of Construction Works		1,100,000.00	CGB	2018-2022	CGB
Opening up of service lanes, grading and gravelling in Bomet town		Urban Mobility	Bomet Town	Execution of Civil Works		9,000,000.00	CGB	2018-2022	CGB
Construction of proposed fresh produce market in Bomet town		Market Expansion	Bomet and Sotik Towns	Execution of Civil Works		26,000,000.00	CGB	2018-2022	GGB
Purchase of land for youth farmers market Ker/Kongotik/509	Longisa	Market Expansion	Youth Farmers	Title processing and Succession		1,282,500.00	CGB	2018-2022	CGB
Purchase of land for ward offices in Kamureito Ker/Kipsonoi SS/889	Kipsonoi	Ward Office	Kipsonoi Ward	Title Processing		1,080,000.00	CGB	2018-2022	CGB
Purchase of land in Ndubai for Child Welfare Facility Ker/Ndubai/968,1219, 1296,	Kiprerer	Child Welfare Facility	County wide	Title Processing		5,750,000.00	CGB	2018-2022	CGB
Purchase of land for Cancer Centre in Longisa Ker/Kongotik/500	Longisa	Construction of Cancer Center	County wide	Title Processing		4,011,000.00	CGB	2018-2022	CGB

Purchase of land for Cancer Centre in Longisa Ker/Kongotik/1386	Longisa	Constructi onof Cancer Center	County wide	Title Processing		2,419,200.00	CGB	2018-2022	CGB
Construction of public toilet in Cheptalal	Embomo s	Public Toilet	Cheptalal Market	Execution of Construction Works		1,750,000.00	CGB	2018-2022	CGB
TOTALS ONGOING PROJECTS						65,787,700.00	CGB		

Table 2: New Projects-2018-2022

Project Name/Location		Objectives	Target	Description of activities (Key output)	Green Economy	Cost(kshs)	Source of funding	Timeframe	Implementation agency
Development of Bomet Land Information Management System	County Wide	Efficient Land Use Management and Planning	County wide	GIS Based Maps generation, Lands Register preparation		20M	CGB	2018-2022	CGB
Bomet County Valuation Roll	County Wide	Improve Revenue Generation and Efficient Land Use Management	County wide	Valuation of all rateable lands/plots		60M	CGB	2018-2022	CGB
Development of Bomet County Lands Registry	County Wide	Effective Lands Records Management and Ease Access to Land Information	County wide	Preparation of Lands Register and Construction/Acquisition of office space		10M	CGB	2018-2022	CGB
Development of Bomet PI Lands Register	County Wide	Protection of PI lands	County wide	Physical Inspection of PI lands and Public Participation		5M	CGB	2018-2022	CGB

Survey and Beaconsing of PI Lands	County Wide	Protection of PI lands	County wide	Survey and Beaconsing		10M	CGB	2018-2022	CGB
Fencing of strategic PI Lands	County Wide	Protection of PI lands	County wide	Fencing		80M	CGB	2018-2022	CGB
Opening of rural Access Roads	County Wide	Improved Rural Mobility	County Wide	Survey and Beaconsing		50M	CGB	2018-2022	CGB
Land Acquisition	county wide	Increase Land Banks	County wide	Identify,value and process the documentation				2018-2022	
acquisition of land for bus parks	Countywide	ease urban mobility	County Wide	Contruction		70M	CGB	2018-2022	CGB
EPZ Land Acquisition	County Wide	Establishment of Industrial Park	Countywide	Identify,value and process the documentation		20M	CGB	2018-2022	CGB
Acquisition of Land for E.C.D.E	County Wide	Constructi on of ECD Centres	County Wide	Purchase of Land and documentation		200M	CGB	2018-2022	CGB
Acquisition of land for Establishment of County Health Centres	County Wide	Establishment of Medical Facilities	Countywide	Identify,value and process the documentation		50,000,000.00	CGB	2018-2022	CGB
acquisition of land for Bomet County State Officers Residences	County Wide	Constructi on of State officers official residential units	Countywide	Identify,value and process the documentation		20,000,000.00	CGB	2018-2022	CGB
5 No,Bomet KIE Sheds	County Wide	Value Addition	Countywide	Identify,value and process the documentation		20,000,000.00	CGB	2018-2022	CGB

Land Acquisition for County Projects	County Wide	County Projects	Countywide	Identify, value and process the documentation		220,000,000.00	CGB	2018-2022	CGB
Development of bomet County Spatial Plan	County Wide	Proper planning and optimization of space	county wide	Data Collection, Stakeholders, Report Writing, Approvals		100,000,000.00	CGB/WORLD BANK	2018-2022	CGB
Bomet urban intergrated 110development plan	Bomet Municipality	Effective Land Use Development Control and creation of conducive environment for investors	Bomet Municipality	Review of the existing developments and plan preparation		50,000,000.00	CGB/WORLD BANK	2018-2022	CGB
Construction of public Toilet in Chemaner Town and Kimunjul Center	Chemaner	To ensure proper waste disposal				1,500,000	CGB	2018-2022	CGB
Soitk Intergrated Development Plan	Chemagel	Effective Land Use Development Control and creation of conducive environment for investors	Sotik Municipality	Preparation of Town Plan		60,000,000.00	CGB/WORLD BANK	2018-2022	CGB

Ndanai Town	Ndanai/Abosi	Effective Land Use Development Control and creation of conducive environment for investors	Ndanai Town	Preparation of Town Plan		30,000,000.00	CGB/WORLD BANK	2018-2022	CGB
Mogogosiek Town	Mogogosiek	Effective Land Use Development Control and creation of conducive environment for investors	Mogogosiek Town	Preparation of Town Plan		30,000,000.00	CGB	2018-2022	CGB
Cheptalal	Embomos	Effective Land Use Development Control and creation of conducive environment for investors	Cheptalal Market Centre	Preparation of Town Plan		15,000,000.00	CGB	2018-2022	CGB
