**STATEMENTS**

**Sought from Various Committees**

**Hon. Deputy Speaker:** The first statement was sought by Hon. Joyce Korir from the Budget Committee. The Chair of the Committee is not within. He is outside the Country. Any member of the Committee? Hon. Taplelei? There is no member from that Committee.

The second statement was sought from the Committee on Water. Any member? Since there is no one we move to the third statement. It seems the members are not contributing. Yes, Hon. Samson.

**Hon. S. Towett:** Where we don't have the Chair or the Vice chairs and it is not directed to reappear again and the statement is not answered does it means the statement will never be answered again.

BOMET  
COUNTY  
ASSEMBLY

---

March 2, 2016 (Afternoon Sitting)

**Hon. Deputy Speaker:** Thank you. Hon. Members, I left out the first and the second and even the third because they are related to the Committee on Water or on Urban Planning. I am not seeing any members from those Committees. Yes. Hon. Langat.

**Hon. R. Langat:** Hon. Deputy Speaker, I remember that yesterday the Speaker had ruled that the statements will be answered on Tuesday. I hope by then the members will have come back.

**Hon. Deputy Speaker:** Does it mean when the Chairs of Committees are away the Business in the House will stop? We have been saying that the when the CECs are away the Chief Officers will answer. Does it mean when the Chairs are away the members cannot answer? Yes, Hon. Chang'morik.

**Hon. S. Chang'morik:** Thank you. On the side of Urban Planning Committee, I was requesting that you give us up to Thursday afternoon. The Chair is away and the Vice chair too had problems in trying to give out the answers. We will follow it up when the Chair is there. Give us until Thursday next week; not tomorrow. Thank you.

**Hon. Deputy Speaker:** Hon. Chang'morik I wanted to seek clarification from the Clerk on those which were pushed to Tuesday. The ones which were referred up to Tuesday were the ones raised yesterday. The ones raised today are different and I wanted to clarify to avoid confusing the House. I have looked at the ones raised today and for instance the statement sought by Hon. Chang'morik from the Lands Committee and Hon. Serbai from Water Committee, all we hear is that the Chair, Vice Chairs and members are away. Let the House not be taken round for lack of answers. Let me rule that all these statements be adjourned until Thursday next week for the final time.

### ADJOURNMENT

**Hon. Deputy Speaker:** The House is adjourned until tomorrow at 2.30 p.m. Hon. Taplelei will like to meet you after this.

*The House adjourned at 2.50 p.m.*
