8* MOTION (Hon. Samson Towett)

THAT aware that one of the functions of the devolved units of government under part II of the fourth schedule of the Constitution of Kenya 2010 includes but not limited to county transport including traffic and parking , also aware that there are no designated parking places in towns within our County; deeply concerned that vehicles when parked in these towns are left haphazardly to overlap hence blocking each other; this County Assembly urges the County Government of Bomet to organize parking places in towns within our County.
