8\***MOTION** (Hon. Julius Korir)

**THAT**, aware that the section 45(1) of the County Governments Act 2012 provides that the governor shall nominate qualified and experienced county chief officers from among persons competitively sourced and recommended by the County Public Service Board and with the approval of the County assembly appoint chief officers; also aware that this County assembly only approved two chief officers namely the chief officer for Administration and the Chief officer for water, environment and natural resources; further aware that these chief officers whom we approved based on their qualifications for the offices they were proposed to hold have since been transferred to other departments whom they were not vetted for; also further aware that the governor has not appointed other chief officers for other departments who according to the law shall be responsible to the respective county executive committee member for the administration of a county department; deeply concerned that this County government will not run smoothly if the said officers aren't appointed and that it would make the work of the Executive committee members so difficult; this County assembly do resolve that the said chief officers be appointed and that the already vetted chief officers be re-deployed to their original respective dockets or be re-submitted for approval by the assembly on their current dockets.
