8***MOTION** (Hon. Robert Metet)

THAT aware that County transport, including county roads is one of the functions which was devolved to the County Governments under part 2 of the fourth schedule of the constitution of Kenya 2010; also aware that one of the objects and purpose of the intergovernmental relations act pursuant to its section 3, is to provide for consultation amongst County Governments for an inclusive consideration of any matter that transcends and affects any two counties; further aware that the Nyayo tea zone belt though located within the neighboring Narok County the produce is transported through Bomet County using heavy trucks, tractors and lorries which have caused massive destruction of some of the county roads within Bomet county; deeply concerned that the continued destruction of the roads might render the same totally impassable and thus paralyze the economic activities in the county; this House urges the County Government of Bomet to immediately collaborate and initiate negotiation with the County Government of Narok to set up measures to mitigate the destruction of the roads by trucks, tractors and lorries transporting produce from Nyayo tea zone through the Bomet county.
