8* MOTION (Hon. Samwel Bor)

THAT aware that implementation of specific national government policies on natural resources and environmental conservation including forestry is one of the functions devolved to County Governments; also aware that this County loses millions of shillings through untapped forest resources including but not limited to herbal medicine, fencing posts, wildlife viewing, timber and firewood ; deeply concerned that the continued loss will greatly affect the economy of this County; this House urges the County Government of Bomet to put up measures to ensure that revenue is raised from forest products.
