THAT aware that Article 53 of the Constitution provides that every child has the right to be protected from abuse , neglect, harmful cultural practices , all forms of violence, inhuman treatment and punishment, and hazardous or exploitative labour; also aware that one of the devolved functions under the fourth schedule of the Constitution is that of development of child care facilities; also aware that there has been rampant cases of early marriages within our county and that those early marriages contributes to high infant mortality rate due to complications during child birth; deeply concerned that such cases will greatly affect our children if child care facilities are not developed to assist these children access care and seek refuge ; this House urges the County Government of Bomet to develop child care facilities so as to assist and protect these children in our community.
