**THAT** aware that one of the functions which was devolved to the county governments under Part II of the fourth schedule of the constitution of Kenya 2010 is that of Agriculture including but not limited to crop and animal husbandry; also aware that there are many farmers who are unable to access quality seeds and fertilizers owing to high prices; deeply concerned that these farmers may not participate in the on-going planting season due to serious economic constraints; this House urges the County Government of Bomet to subsidize prices of such seeds and fertilizers.
