THAT aware that one of the functions which was devolved to the County governments under Part II of the fourth schedule of the Constitution of Kenya 2010 is that of cultural activities, public entertainment and public amenities including betting, casinos and other forms of gambling, video showing and hiring; also aware that gambling and video showing in our towns and centers have been going on unregulated even to the wee hours of the night and that such activities have been used by thugs and armed robbers to masquerade; this House urges the County government of Bomet to come up with regulations on gambling, casinos and video showing.
