8\***MOTION** (Hon. Josphine Rotich)

**THAT**, aware that one of the devolved functions under Part II of the fourth schedule of the Constitution of Kenya 2010 is that of county transport including control of traffic; also aware that there has been uncontrolled traffic of motorbikes commonly known as *boda boda* in our towns ridden by untrained youths; deeply concerned that this County Government can reduce accidents caused by these motorbikes and at the same time earn revenue through training of these youths on issues to do with road safety; this County assembly urges the County Government of Bomet to establish a training facility for *boda boda* operators within our County.
