THAT, aware that Article 43 of the Constitution of Kenya 2010 provides that every person has a right to social security; also aware that this County assembly passed the Bomet County Support for the Needy Bill 2014 which apparently did not address the needs of single and vulnerable mothers within the County; further aware that this County has a department of Children, Culture and Social Services whose main objective is to promote Socio-economic development through appropriate policies, programmes and projects that enhance sustainable growth; also, further aware that this County Assembly approved the 2014/2015 Financial year Budget with an allocation of Kenya Shillings **4,100,000** for social assistance to the vulnerable groups; deeply concerned that single and vulnerable mothers in this County faces a lot of challenges during their day to day lives; this County Assembly urges the County Government of Bomet to provide social protection to Single mothers within the County.
