8***MOTION** (Hon. Reuben Langat)

THAT, aware that Agriculture is one of the functions devolved to the County governments under part 2 of the fourth schedule of the Constitution of Kenya 2010; also aware that the lower part of the County i.e. Chepalungu, Bomet East and some parts of Sotik constituency largely rely on water harvested through water pans for irrigation and livestock keeping since piped water isn't evenly distributed in these areas; deeply concerned that the current price of digging these water pans is too high for the several small scale farmers in these regions; this County Assembly urges the County Executive Committee of Bomet to initiate a subsidized programme for digging these water pans so as to assist farmers in those parts of our County.
