**8\* MOTION (Leader of Majority)**

Aware that environmental degradation is becoming rampant in Bomet County; also aware that there has been mudslides and destruction of water catchment areas; also further aware that Eucalyptus trees planted near rivers are causing havoc to the rivers and river sources; deeply concerned that the riparian areas are being destroyed; this County assembly urges the County executive Committee of Bomet to ensure removal of Eucalyptus trees and be replaced with Bamboo and other indigenous water friendly trees by setting up tree nurseries and ensuring the implementation of the exercise across the County within a period of 2 years.
