**THAT**, aware that Article 69(1)(a) of the Constitution of Kenya 2010 provides that the State shall ensure sustainable exploitation, utilization, management and conservation of the environment and natural resources, also aware that health and pre-primary education are devolved functions; deeply concerned that there should be soil and water conservation in these institutions; this House urges the County government of Bomet to initiate a tree planting process in Health institutions, village polytechnics, stadiums and Pre-primary education centers within our County.
