8***MOTION** (Hon.Bency Too)

THAT, aware that one of the principles of planning and development facilitation in a County under section 102 of the County Governments Act is to promote the pursuit of equity in resource allocation within the County; also aware that one of the objectives of county planning under section 103 of the County Governments Act 2012 is to provide the pre-conditions for integrating under-developed and marginalized areas to bring them to the level generally enjoyed by the rest of the County; further aware that there are some parts of this County where the County government since its inception has done very little in terms of projects hence making those parts of the County underdeveloped; deeply concerned that the continued under-development of these areas will retard economic development; this County assembly urges the County Executive Committee of Bomet to promote the principle of pursuit of equity in resource allocation within the County.
