COMMUNICATION FROM THE CHAIR

Hon. Deputy Speaker (Hon. L. Rotich): Welcome Hon. Members. In our public gallery, we have two interns who have joined our County Assembly Dorcas Chepkirui and Shalody Chepkoech. You are welcome and integrated and assist in the duties you have been assigned. Again at the gallery, we have children from Winners Premier Academy in Chepalungu Sub County, Nyangores Ward. They are composed of 62 pupils and 6 teachers. I also take this opportunity to welcome them.

You will only be required to observe what is happening in the Assembly silently. I will ask honorable Joseah from Nyangores Ward to welcome you.

Hon. J. Samoei (Nyangores Ward, UDA): Thank you, Mr. Speaker, let me take this opportunity to welcome the pupils of Winners academy. They come from my ward and I hope this time they will learn something before they leave this Assembly. Thank you.

Hon. Deputy Speaker (Hon. L. Rotich): Chair Education, kindly say a word to welcome pupils and the teachers.

Hon. E. Kipkemoi (Mogogosiek Ward, UDA): Thank you very much Mr. Speaker for the opportunity you have accorded me to welcome the pupils of Winners academy. I wish to take this opportunity to thank the school management for planning this visit to the County Assembly. This is an opportunity for children to learn what we do here at the County Assembly. It also gives them an opportunity to get inspired since they also have aspirations for the future.

When our children visit us like this, it is an opportunity even for the other children from other schools to also understand that there is an arm of government called the County Assembly. So it is a lesson to others. Otherwise, I want to welcome the pupils to this Assembly and maybe give them a piece of advice that they ought to work hard so that in future they will be leaders and even

serve in this Assembly or even those other higher places. We are asking them to work smart. Nowadays Mr. Speaker they no longer say you work hard. We want to ask our pupils to work smart and I will not want to end my talk without mentioning that the current Competency Based Curriculum CBC which these learners are doing is we have been able to realize that it is helping our children to learn more about social life and to do things that we do at home with our hands. This CBC is a good system Mr. Speaker. Let me end there and say thank you very Much.

Hon. Deputy Speaker (Hon. L. Rotich): I want to ask Hon. Lily on behalf of honorable members who are female to give us welcoming remarks.

(Sign Language interpreter guides honorable Lily to give welcoming remarks)

Hon. Deputy Speaker (Hon. L. Rotich): Honorable Lily. Kindly welcome the pupils from Winners Primer Academy.

(Honorable Lily Rises to give welcoming remarks)

Hon. L. Cherotich (Nominated MCA) through Sign Language Interpreter: Thank you, Mr. Speaker. I thank the management of Winners Academy for bringing the pupils to visit us. I encourage you to work hard and avoid thinking of other things that might disrupt your studies. I encourage you to work hard so that you are like me in the future. Don't fight in school and love one another. *(Applause)*
