Hon. Members, as per the Calendar we approved yesterday, according to the program of HBRC, we are supposed to start recess today, especially for Members to go and carry out other activities outside this Assembly. It is necessary so that Members will go and utilize for training for Committees.

I therefore ask for approval of this Recess Motion, and I ask honourable E. Kirui to second.

Thank you.

Hon. E. Kirui (Kimulot Ward, UDA): Mr. Speaker, I rise to second the Motion for the Members to proceed for a short recess in accordance to the Calendar laid out.

I Second.

(Question of the Motion for adjournment for short recess proposed)

Hon. S. Changmorik (Longisa Ward, UDA): Thank you hon. speaker, let me support the motion on recess. Our electorates are waiting for us and this will help us to organize our thanks giving to them. So it's good for us to go for recess although for a short time but we have many businesses ahead of us like budget which we need to oversight. So we need to have time to organize our committee and ready for the oversight role.

Hon. K. Ngetich (Siongiroi Ward, CCM): Thank you Mr. Speaker, I rise to support the motion on short recess because we have to attend our ward offices. We had requested the governor to give us time for the process schedule on 21st so that at the end of the day, we would have come with a comprehensive report. Thank you.

Hon. R. Ruttoh (Chemaner Ward, UDA): Thank you Mr. Speaker for this opportunity to contribute on this motion. I want to applaud the mover of this motion because after being sworn, we have a lot of activities in this hon. Assembly and we haven't get time to be with our electorates and they may think we have disappeared from them. It's now time for this hon. members just to interact with them and elaborate on their task ahead of them. After approval of different committees, it's now the right time for them to be given training and induction ion the same so that they will be sure on what they are deliberating. We need also to familiarize with different offices we have been given. In my side, I have been given the responsibility of being the Majority Whip, which I also need to know more about it because these are all the Members whom I am ahead leading. I should do that honourably so that I cannot diminish their title.

I also support this Motion because as we move, we have a lot of work ahead of us. We have the approval of our COs and CECMs which we need to sit down and discuss on the various issues which have affected majorly our people in our society. I therefore, support this Motion, Hon. Deputy Speaker. Thank you.

Hon. B. Langat (Kembu Ward, UDA): Hon. Deputy Speaker, Sir, thank you. It is quite okay for us to go on a recess because most of the Members have not met with their electorate since they were elected. They need to have some time with their electorates. Thank you.

Hon. Deputy Speaker (Hon. L. Rotich): Hon. Member from Konoin.

Hon. C. Langat (Boito Ward, UDA): Not Konoin, Hon. Deputy Speaker, but Boito.

Hon. Deputy Speaker (Hon. L. Rotich): Okay, Boito.

Hon. C. Langat (Boito Ward, UDA): Hon. Deputy Speaker, Sir, thank you. I rise to support the Motion that we adjourn for short recess so that we retreat and visit our various wards to update ourselves on what is happening. This adjournment is within the calendar and the tradition of parliament. It is important for us to go on recess so that we allow the Committee on Appointments to do their work. In those 10 days, we will have another business ahead of us. I know we will also seek leave so that the Committees with pending businesses can proceed during the recess. I support the Motion, Hon. Deputy Speaker.

Hon. E. Rotich (Mogogosiek Ward, UDA): Hon. Deputy Speaker, Sir, thank you for this opportunity. I also rise to support the Motion that this Assembly proceed on recess. Hon. Deputy Speaker, Sir, this recess is important because it will enable us Members to at least have time with our electorates. It also gives us an opportunity to undertake public participation on the issues at hand. This recess gives an opportunity to prepare for businesses of the next sittings.

Hon. Deputy Speaker, Sir, the recess will also give opportunity to the Committee on Appointments to do their work so that by the time we come back they will have their reports ready. We can also use this time to capacity build our various Committees. I support this Motion.

Looking at the mood, Hon. Deputy Speaker, it is like everyone is in agreement with this Motion. I would wish we do not take much time because the Hon. Members are preparing to travel. Thank you.

Hon. Deputy Speaker (Hon. L. Rotich): Hon. Members, I will not put the question because yesterday we approve the calendar.
