THAT, pursuant to Standing Order 193(5) (g) and section 59(d) of the County Governments Act, 2012, this County Assembly adopts the report of Labour and Public Service Committee on Bomet County Public Service Board's annual report for the period ending 31st December, 2017

6. MOTION (Hon. Kiprotich Wesley)

THAT, aware that Article 46(a) and (b) of the Constitution of Kenya provides that every person is entitled to goods and services of reasonable quality and to information necessary for them to gain full benefit from goods and services; also aware that section 116 (1) and (2) of the County Governments Act 2012 provides that the County Government and its agencies shall have obligation to deliver services within its designated area of jurisdiction

and that the county shall deliver services while observing the principles of equity, efficiency, accessibility, non-discrimination, transparency, accountability, sharing of data and information and subsidiarity; further aware that section 117(2) (a) of the County Governments Act provides that public services shall be equitably delivered in a manner that accords to prudent, economic, efficient, effective and sustainable use of available resources; also aware that the main purpose of having a service charter is to define the service experience the client will have with the organization and responsibilities of both the organization and the client; Deeply concerned that the Bomet County Executive has no service delivery charter to assist it to provide core services to the public; this County Assembly urges the County Executive Committee to formulate and adopt an elaborate Service Charter to streamline the delivery of services to the Public.
